

BMIT is a partner for hundreds of clients. What do they see in us?

At BMIT our focus is firmly on quality, consistency, the latest technologies and personalised solutions.

We've grown to become a trusted international data centre with a varied portfolio of customers in sophisticated industries such as online gaming, financial services and telecommunications. We also provide a range of Cloud and Managed Services that could help you meet and exceed your business requirements.

Located in Malta, right in the heart of the Mediterranean, our focus is clear – we want to enhance and revolutionise your IT journey, all the while protecting your valuable online assets.

Our flexible approach to customer requirements has secured us a portfolio that spans small businesses as well as multi-nationals. We will always put you first and provide a personalised service that keeps you in the driving seat.

After all, our success stems from the performance and security of your technological endeavours. With this in mind, we offer a range of services that take the pressure off you and give you the time to focus on what's more important: the growth of your business.

Our suite of solutions includes:

- A selection of Data Centre and Managed Services
- Cloud Services, including infrastructure, productivity and backup services
- Access to data centres in Malta and in cities across Europe, with further connectivity through leading pan-European network operators
- A choice of single or multi-site set-ups
- Availability of a range of services at each locality
- One single bill, if required
- A comprehensive solution that handles all contacts, preparations and support needed, irrespective of location
- Optional disaster recovery functionality, away from your selected primary site.

At BMIT all of our services reduce your investment risk, helping you to focus on your key competencies and enabling you to benefit quicker from the latest technological developments. Meanwhile, our **PCI DSS** and **ISO 27001** certifications ensure you complete peace of mind as to our high standards.

At the core of all our solutions is our expert team, which stays on the pulse of our services. Available 24x7 to offer you a tailor-made service, our technical team will ensure satisfaction and will work to find just the right solution for you.

So why not trust the company that's proved to be a valuable IT partner for countless companies, just like yours? At BMIT we look forward to working with you. Contact our sales team directly on sales@bmit.com.mt or visit www.bmit.com.mt.
